Dear Aurora Electrical,

**RE: Master Electricians Australia - 2016 Commercial Project of the Year**

Thank you for your request to provide Aurora Electrical with a reference in relation to its work undertaken on the Baldivis Northbound and Southbound Travel Centres, located on the Kwinana Freeway in Western Australia.

As a subcontractor to Perkins Builders, the efforts and dedication shown by Aurora Electrical personnel to contribute to the successful build of the site was greatly appreciated. As Project Manager I witnessed the dedication to drive best possible results, and work through issues collaboratively and with a sense of 'One Team' – one of the core values and behaviors of BP.

I wish you success in your submission and am pleased to see the pride Aurora is displaying in its contribution to BP's latest WA achievement.

Yours faithfully
