TO WHOM IT MAY CONCERN

**AURORA ELECTRICAL SERVICES PTY LTD**

I confirm that ALS Minerals (a division of the ALS Group) has dealt with Aurora Electrical Services Pty Ltd since 2008, during which time Aurora has provided our business with excellent support in the areas of electrical maintenance and repairs, including an extensive electrical refurbishment of our site and comprehensive advice and planning on new business opportunities. We have found their work to be of the highest standard and this has been identified as a major contributing factor to the success of operating our machinery on a 24/7 basis. We are confident in knowing that complications and/or breakdowns will be dealt with in a smooth and professional manner.

I can confidently recommend Aurora Electrical Services Pty Ltd as a solid and reliable electrical team, and experts in their field.

Yours faithfully
